Here you can personalise your fundraising page. When you are done, click 'Next Step'.

The screenshot shows the Parkinson's NSW fundraising page personalisation interface. At the top left is the Parkinson's NSW logo with the tagline "IN THIS TOGETHER". To the right is a navigation bar with a search box labeled "Find a friend", a "Get Involved" button, a "Donate" button, and a "Login" link. Below this is a secondary navigation bar with links for "About", "Tips & Resources", "Leaderboards", and "I'm Stepping up for". A large blue banner with the word "Register" is positioned below the navigation. A horizontal menu contains three tabs: "YOUR DETAILS" (with a checkmark), "YOUR PAGE" (which is active), and "START FUNDRAISING". The main content area is titled "Personalise your fundraising page" and contains three sections: 1. "Set your fitness target!" with a sub-header "Fitness target" and a text input field containing "155" and a "kms" label. 2. "Set your fundraising target" with a sub-header "Fundraising target" and a text input field containing "\$ 550". 3. "Make your page personal" with a sub-header "Profile Image" and a text area containing the text: "I'm Stepping up for Parkinson's", "During the month of May, I will be Stepping Up for Parkinson's.", "Your generous support will assist me in reaching my fundraising goal and allow Parkinson's NSW to continue its mission to enhance the quality of life for people living with Parkinson's, their carers and families.", and "Parkinson's is a neurodegenerative disorder. There". At the bottom center is a green "Next Step" button. A thin black line with an arrow at the end points from the text above to the "Next Step" button.

You can donate to your fundraising page if you wish. Any donation will go towards your individual fundraising goal and your Support Groups team goal. If you would like to donate at a later date just select 'No Thanks'

I'm Stepping up for Parkinson's

During the month of May, I will be Stepping Up for Parkinson's.

Your generous support will assist me in reaching my fundraising goal and allow Parkinson's NSW to continue its mission to enhance the quality of life for people living with Parkinson's, their carers and families.

Parkinson's is a neurodegenerative disorder. There are currently 219,000 Australians living with Parkinson's. Of these, 18 per cent are of working age.
